It is likely that the local officials will ask President Prince to call a meeting of the league the latter part of the present week. On March 22, the league met at Madison and adjourned to meet again at Salem on April 22, but the president was authorized to call the meeting earlier in the month if deemed advisable. As the 22d occurs on Friday, however, it will not be necessary now to meet at an earlier date. At the Salem meeting the principal business will be the adoption of a schedule.

BOXING.

The Metropolitan club is on the hunt for a foe for another of Charley Johnson's steel, and under consideration are such fistie lights as Jim Frane, Tommy Tracey, "Australian" Jimmy Ryan, and Jim Janey, top-notchers in the welter-weight class. Leslie Pearce had the call until Peter Sheehan got the decision over him in a ten-round go Saturday night at McKeesport. Poor Leslie may be going among the back numbers, much to the regret of his many friends.

Dandruff is Dangerous

When dandruff appears it is usually regarded as an annoyance. It should be regarded as a disease. Its presence indicates an unhealthy condition of the scalp, which, if neglected, leads to baldness. Dandruff should be cured at once. The most effective means for the cure is found in AYER'S HAIR VIGOR. It promotes the growth of the hair, restores it when gray or faded to its original color, and keeps the scalp clean and healthy.

The dandruff has been entirely removed and my hair is now soft, smooth and glossy and fast regaining its original color.
